

Our global mandate - the added value of humanitarian education

Strengthening partnerships for humanitarian action

Holistic approach to capacity building:

- Humanitarian education
- Humanitarian diplomacy
- Psycho-social support
- First aid
- And other core services

The Trainer's Book on IHL

- Developed by volunteers for volunteers
- A practical and simple tool to disseminate IHL
- Capacity building of volunteers and staff as peer-educators in IHL
- Target group for IHL dissemination is youth and local communities

Outcome of humanitarian education

- A feeling of shared belonging and identity
- Enabling safer access
- Strengthen capacities to prevent and respond to armed conflict
- Strengthening reputation and understanding of the RCRC movement and its humanitarian endeavours.
